How to create a bracelet with glass beads?

To celebrate the launch of its new Kalos® range of beads, Les Perles par Puca® has created a second pattern to showcase these beads. If you like the beading technique, this tutorial is for you!

This creation is at an intermediate level, perfect for those who want to perfect their beading techniques. But if you're a beginner, don't panic: by carefully following each step in the diagram, you'll be able to make the bracelet. Don't hesitate to take a look at the Gédéon® cork diagram, which is also published to coincide with the launch of the new Kalos® beads.

You can wear this bracelet with your daily outfits to add a touch of freshness. You'll have a jewel that's sure to catch the eye and complete your ensembles with elegance and originality. So get out your needles and beads, and let your creativity run wild!
