How to create an elegant bracelet with glass beads?

To celebrate the arrival of our new beads on our site, our partner Les Perles par Puca® offers you a tutorial on how to make a trendy DIY bracelet with glass beads. This tutorial is aimed at intermediate and advanced designers, but if you're new to bead weaving, refer to the diagram to make sure you don't forget any steps.

Thanks to the shapes of Arcos®, Kalos® and Volos® beads, you'll be able to create beautiful handmade costume jewelry that will accessorize your most beautiful spring outfits or your most festive outfits! You can make the jewelry more unique by changing the color of the beads or mixing several colors. Does this DIY jewelry project appeal to you?
