How to make a beaded snowflake?

Once again this year, we're bringing you a unique creation from **Les Perles par Puca®** to enhance your festive season.

In 2023, you loved "Mon Flocon " to embellish your end-of-year decorations; now it's back in a revisited version, as elegant and easy to make as ever. Thanks to this tutorial, you'll be able to make a magnificent beaded flake, ideal for decorating your tree or personalizing a festive table.

Puca® has created this model in pretty shades of **beige, bringing softness and elegance to your decor**. For those who prefer brighter, more festive hues, we also offer a luminous variant in shades of magenta, so you can adapt your snowflake to suit your mood and the atmosphere of your home. Check out our other Volos®, Samos® and Arcos® by Puca® bead colors to customize your creation.

Whether you're a beginner or an enthusiast, this DIY will give you a moment of creative relaxation and a result you'll be proud of. Let us guide you step by step and discover the pleasure of creating a piece that combines tradition and modernity.

With "Flocon", Puca® invites you to celebrate the spirit of Christmas in a personal and original way. Prepare your beads, make yourself comfortable, and let the magic happen!
