How to make star earrings?

Our partner Les Perles par Puca® invites you to discover its new tutorial for creating "Star d'un jour" earrings, made with the brand-new Amos Constellation beads . Two versions are presented: short earrings for a discreet, elegant style, and longer dangling earrings for an original, trendy look.

Shaped like a star, these earrings add a festive and creative touch, ideal for Christmas or to brighten up your everyday outfits. The black and gold colors offer a chic, refined contrast, and other color variations are available to let your imagination run wild.

This DIY jewelry project is perfect for those who want to create unique, personalized and trendy accessories . It also features Arcos and Kalos beads, for an elegant look.

Whether you want to wear these earrings or give them as gifts, this step-by-step tutorial is accessible to beginners and experienced designers alike. Immerse yourself in the creative world of Puca® and let yourself be inspired to create your own unique and trendy star jewels.
