How to make your own jewelry box?

Our partner Les Perles par Puca® offers you a creative and accessible tutorial for making a unique decorative box. This project is perfect for hobby enthusiasts, but also for beginners who want to try their hand at creating. Thanks to the brand-new Helios Stony and Arcos Stony beads, you can give free rein to your imagination and create original, colorful patterns. Arcos and Helios beads are available in a multitude of hues, so you can adapt your creation to your own tastes or interior decoration.

This decorative box is ideal for storing jewelry, accessories or small precious objects. It combines both utility and aesthetics, bringing a touch of originality and charm to your space. Whether on your dressing table, in your bathroom or even on an office shelf, it becomes an eye-catching yet functional decorative object.

The Puca® tutorial is detailed and step-by-step, so you can easily follow all the phases of creation, from the preparation of the beads to the final assembly of the box.

This creation also makes an excellent Christmas gift. Giving a colorful, personalized, handmade decorative box shows special care and personal investment in the gift. Your loved ones will appreciate the care taken and the originality of the result.

With this tutorial, Puca® invites you to experiment, have fun and create a unique object that combines practicality and decoration. Let your creativity flow and transform these beads into a pretty box that will embellish your home or make a memorable gift.
