steps

★ Step 1/5

Start by unwinding your ribbon and finding its center.

★ Step 2/5

Tie 8 knots on the fabric at repeated intervals to hold the charms in place and prevent them from moving.

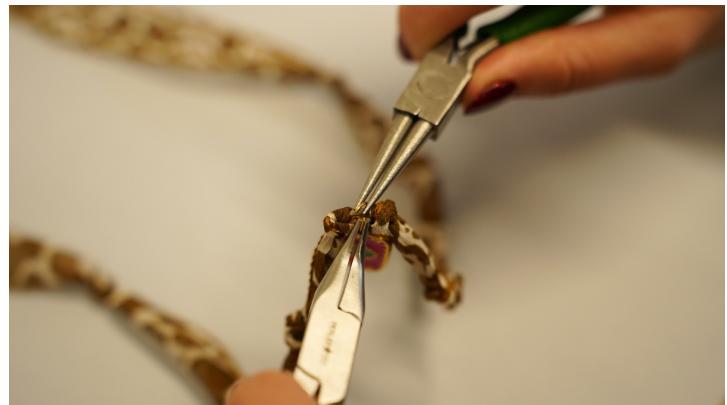

★ Step 3/5

You should get this result once the knots have been made.

★ Step 4/5

Take a ring, open it and slip the central charm into it.
Close the ring between the two middle knots.

★ Step 5/5

Repeat the previous step to attach all the charms.
Your necklace is now complete!
