How to make a pearl bracelet

Our partner Les créations d'Anna® offers you a new tutorial for making a large bracelet called Althea, a very refined piece.

This original creation features the new Helios beads designed by Puca®. Available in four different colors (pink, blue, purple and brown), these pearls bring relief and character to your jewelry. Combining them with other pearls such as Lipsi, Amos and Minos by Puca® creates a play of textures.

The subtle blend of blue and gold hues creates a luminous women's bracelet, easy to wear for everyday wear or special occasions.

With this tutorial, you'll be able to create a customizable bracelet by adapting the colors of the pearls. Each step is designed to be easy to follow, while leaving plenty of room for creativity. The gold plating completes the creation, ensuring modernity over time.

This personalized women's bracelet becomes a unique piece, reflecting your style and expertise. By following this tutorial, you'll learn how to combine different shapes of pearls while discovering techniques for a beautiful finish. It's a great opportunity to create a handmade, original and trendy piece of jewelry that's sure to catch everyone's eye.
