

## EARRINGS WITH MIX OF COLORED PEARLS

By : Charlotte Perles Co

Easy

20 minutes

*How to create colorful earrings?*

Discover how to create original earrings by playing with a mix of materials and colors. This tutorial guides you through the creation of a handmade piece of jewelry, ideal for the summer ahead!

In this project, you'll learn how to combine different elements such as irregular resin beads, acrylic beads, ceramic Heishi beads and glass Heishi rondelles. Of course, you'll find plenty of colors on our website. The aim is to create a visual contrast while maintaining a certain aesthetic coherence.

This tutorial is accessible to beginners and advanced alike. The beading technique is very simple. Practical tips are also provided to ensure the perfect finish for your earrings.

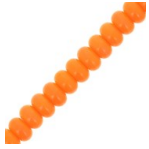

In making this jewel, you'll develop your sense of detail and your ability to combine textures and shades. Each creation becomes a unique piece, which you can adapt to your own desires or offer as a personalized gift.

Give free rein to your imagination and dare to experiment: mix unexpected materials, test daring color combinations and create accessories that reflect your personality.

If you reproduce this tutorial, don't hesitate to share your jewelry on social networks by tagging our Instagram account, our TikTok account or our Facebook page. We'd love to see what you come up with!
