How to make a large bracelet for women?

Discover a new tutorial from our partner Les Créations d'Anna®, a wide bracelet for women called Lucia, an elegant piece of jewelry in shades of green and gold.

This model features an assembly of pearls. At the heart of this tutorial are the new Lipsi Bronze pearls from the Les perles par Puca collection, combined with Arcos, Kalos and Hélios pearls. Their unique design and multiple color variations let you personalize your creation to your heart's content. Whether you prefer soft, intense or contrasting tones, you can easily adapt the Lucia bracelet to your style.

This project is ideal for a moment of relaxation and creativity. Accessible to DIY jewelry enthusiasts, it offers a great experience and the pleasure of making an original accessory, to be worn every day or on special occasions. Due to a stock shortage on the Light Gold Mat color for Arcos and Kalos pearls, it has been replaced by the Full Marea color. This alternative blends in perfectly with the overall bracelet and respects its visual harmony.
