How do I create a pink bracelet?

Our partner Les créations d'Anna offers you a new tutorial for creating a Smeralda bracelet, a modern piece of jewelry that can be declined in a variety of colors to suit your desires. This unique model features the new Lipsi Mishmash pearls, renowned for their vibrant hues, perfect for bringing a touch of freshness and style to early summer.

In this DIY tutorial, we present a pink version of the bracelet through the photos, ideal for a soft, feminine rendering. However, if you follow the detailed diagram, you'll discover that it's green pearls that are initially given pride of place, offering a trendy contrast. One of the great advantages of this creative project is its customizability: you can choose the colors that suit you best and create a totally unique piece of jewelry.

This beading tutorial also highlights the use of Arcos and Helios beads by Puca, highly appreciated in the world of handmade jewelry for their original shapes. With the beading technique explained step by step, even beginners will find it easy to start creating jewelry with glass beads.

Ideal for creative hobbyists, this Smeralda bracelet is fully in line with the trend for personalized DIY accessories. Whether you're a craft enthusiast or looking for an original gift idea, this tutorial will help you create a unique piece of jewelry that's trendy, colorful and carefully crafted.
