Do you like them? Find our other ultra-simple tutorials ideal for beginners (and even for the confirmed), you will love!

Do you have 20 minutes in front of you? 3, 2, 1 ... Create!

STEP 1 :

Cut 4 pieces of chain each 4 cm. Connect the ends of 2 pieces of chain with 2 open rings. then fix the 2 rings on the golden interlayer .

2ND STEP :

On the 5 rings of the bottom of the interlayer, fix with open rings epoxy lozenges and pompoms. It's up to you to personalize them with your favorite colors! Cut the pompoms to the desired length.

STEP 3:

Install your ear hooks on the middle of one of the chains using the hook ring

There you go ! Your colorful earrings are now finished! Do you like them? Feel free to send us photos of your creations on our Facebook page or to tag us on Instagram with #Perlesandco!

NB: Attention, the list of products below is not completely in conformity with the picture of presentation. For stock reasons, some products in this tutorial have been replaced by equivalents. The rhombus / square Sequins made of metal and 18 mm epoxy resin have been replaced by rhombus / square Sequins in metal and epoxy resin 16 mm in different colors.
