Nice earrings with Accord and Miracoli by David and PamCrystal.com

Step 1:
Thread a Miracoli bead using a beading needle. Pass in twice to three times in this bead for locking the thread.

Step 2:
Go into the hole at the end of the Accord bead, jump the center hole and go into the hole at the other end of the bead. Then Thread a Miracoli bead.

Step 3:
Thread a Accord through the center hole.

Step 4:
Go into the hole at the end of the Accord bead and thread a Miracoli. Then go into the hole at the end of a new Accord, go in the middle of the hole and then pass the thread throughout the composition to fix it.

Step 5:
Push the thread through the same hole of the last Accord slipped and add a Miracoli.

Step 6:
Add a Accord going through the middle. Then go through the side hole and add a PureCrystal Pearl.

Step 7:
Go into the hole at the end of the Accord top right and back out through the bottom. Refthread a Miracoli and Accord as in step 6. Pass in the pearl.

Step 8:
Go into the hole at the end of the Accord top left. Cut out from the bottom and go through the center of the hole. Thread a Pearl and go through the hole in the middle of the Accord top. Go back in the beads and out of the middle of the Accord on the right.

Step 9:
Thread a Accord through the hole on the side, get out from the bottom and then go into the next Accord and in the Pearl on the right. Then go out through the Accord on top.

Step 10:
Repeat step 9 to the left this time and go back again in the Accord on top.

Step 11:
Go back down to the Accord middle right, put a Miracoli then go in the Accord of the lower right. Thread a Pearl and go through the left hole Accord. Reassemble the beads and do the same on the left side of the composition.

Step 12:
Connect Accord beads bottom adding Pearls. Attach the pompon passing through the beads and several times.

Step 13:
Go on the top to add a ring

Step 14:
Add the earring to the ring.

Which material to use for Arcos® and Minos® earrings?
