How to make feather earrings?

With this new tutorial from Estelle de Petit Bout de Chou, you'll learn how to make earrings with stamps, feathers and miyuki weaving! This trendy jewelry DIY is perfect for the end of summer!

Personalize your jewelry with your favorite colors by choosing from our wide range of [Miyuki 11/0!](#) Please note, the stamps proposed in the material list are 25mm and are smaller than those used in the initial tutorial. It's possible that the weave will protrude from the stamp. You may then decide to remove a few rows in your weaving.
