

## WEAVED NAME GOLDEN BRACELET

By : Perles & Co

Easy

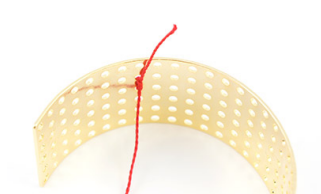

0 minutes

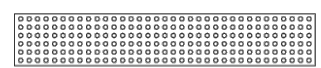

Bracelet with weaved name to offer.

Step 1 :  
Tie a knot on the inside of the bracelet with the DMC thread.

Step 2 :  
Use the template to calculate the number of points needed to write the name to center it.

Step 3 :  
Weave the name with a big needle for cross stitching or weaving plastic canvas. Start on one side and go back several time on the same hole to thicken the weaving. Make a knot on the inside to stop the weaving.

Step 4 :  
If the name does not make a centered weaving, shift it a bit to the side and add some heart or cross.

Step 5 :  
Take a new piece of thread and pass it through two holes in the side of the bracelet. Double it and put it in the big needle.

Step 6 :  
Cross into the pompon with the needle and tie a double knot with the thread to secure it. Do the same to the other side. Be careful to secure them to the same length.
