How to weave an insect?

What is the most beautiful motif with Miyuki Delicas picasso pearls?

Notice to all people with entomophobia! You may be able to heal by weaving this little marvel ... Pauline alias Pauline Eline proposes to weave a cute little insect with the latest Miyuki Delicas effect Picasso beads. Fashion is insects ! You will be able to stiffen your weaving to wear it as a brooch or mounted in a saltire .

For more information on Brick Stitch weaving , find our bead weaving data sheets in the Toolbox section of the site.

Here is the weaving grid to follow:

We love to see your creations so feel free to send us photos of your insect on our Facebook page or to tag us on Instagram with #Perlesandco!

NB: Attention, the list of products below is not completely in conformity with the picture of presentation. For stock reasons, some products in this tutorial have been replaced by equivalents. The DB-2261 picasso black beads have been replaced by the DB-0010 black beads.

Which material to use for Brickstitch pattern insect weaving with pearls Miyuki Delicas picasso?
