How to make creoles with gemstone beads?

How to mount Miyuki and mother-of-pearl pebbles on a creole?

Here's an interesting tutorial! Learn in 4 steps how to make these creole earrings with rows of Miyuki delicas, mini-hematites, mother-of-pearl palets and gemstone beads.

Jewelry mounting is something anyone can do. You don't need to know any special techniques! All you need is a set of three jewelry pliers: a pair of cutting pliers, a pair of round-nose pliers and a pair of flat-nose pliers. Once you've got what you need, you're ready to start making jewelry!

We love to see the creations you make inspired by our tutorials, so don't hesitate to share them with us on our social networks with #Perles&Co!

Which material to use for Hoops with rows of pearls?
