*How to make pearl earrings easily and inexpensively?*

How to create earrings inspired by ethnic style?

If you want to create earrings inspired by the ethnic style you will get there simply thanks to our spiral spacers and some round wooden beads !

STEP 1

On two ball head nails, thread a faceted gold cube and a black rock.

On two other ball head nails, thread a golden rock and a black rock.

On a ball head nail, thread a golden rock and a black wooden bead.

On a flat head nail, thread a black wooden bead.

2ND STEP

Form loops on each nail with a round-nose pliers . We invite you to look at our fact sheet to learn how to form a loop on a nail or a jewelry rod .

STEP 3

Cut off the excess nail with cutting pliers . Thread the nails onto the stanchion spacer as shown in the picture and close them with a pair of flat pliers .

STEP 4

Fit the two sleepers to the flathead nails.

Do not forget that we love to see your creations so feel free to send us your photos on our Facebook page or to tag us on Instagram #perlesandco
