How to use decoSpray paint?

Make a surprising basket of keys , a decoration accessory as beautiful as practical to have at home with this simple and fast Pébéo tutorial . Discover the whole range of Pébéo decoSpray spray paints to adapt the step-by-step according to your tastes. It is an idea of manual activity to do with your children and grandchildren during the holidays!

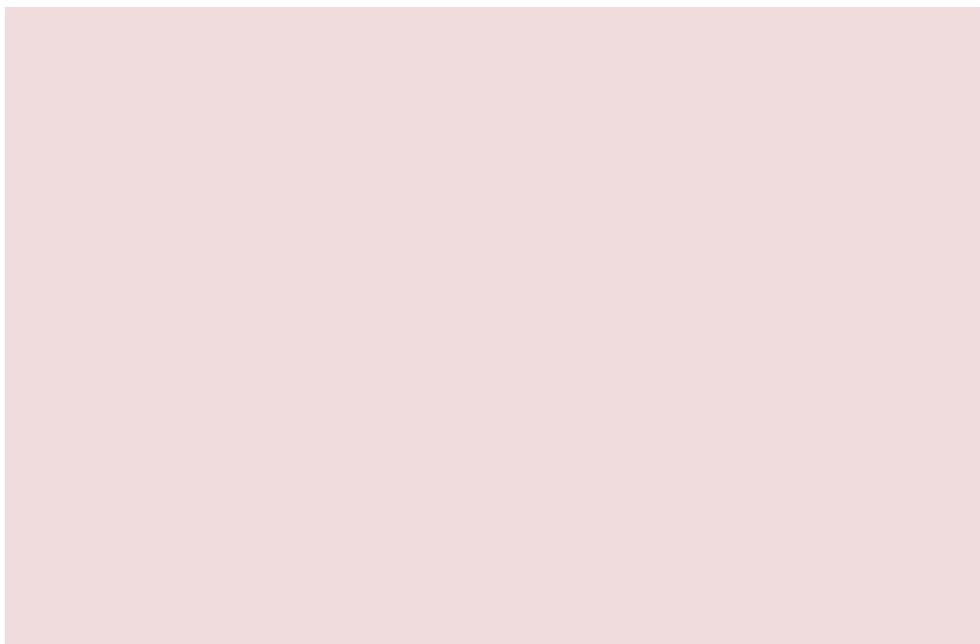

STEP 1

Protect the template of the hemisphere with the food thread to be able to remove the glue easily. Apply the glue generously all around the half-sphere.

2ND STEP

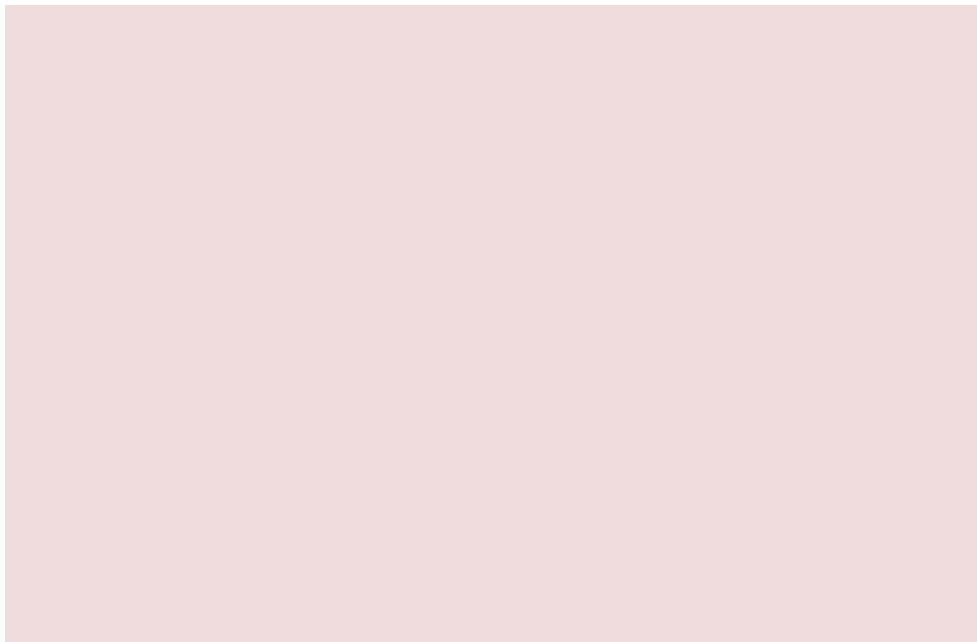

Allow the glue to dry and place in the freezer for 5 minutes to stiffen well.

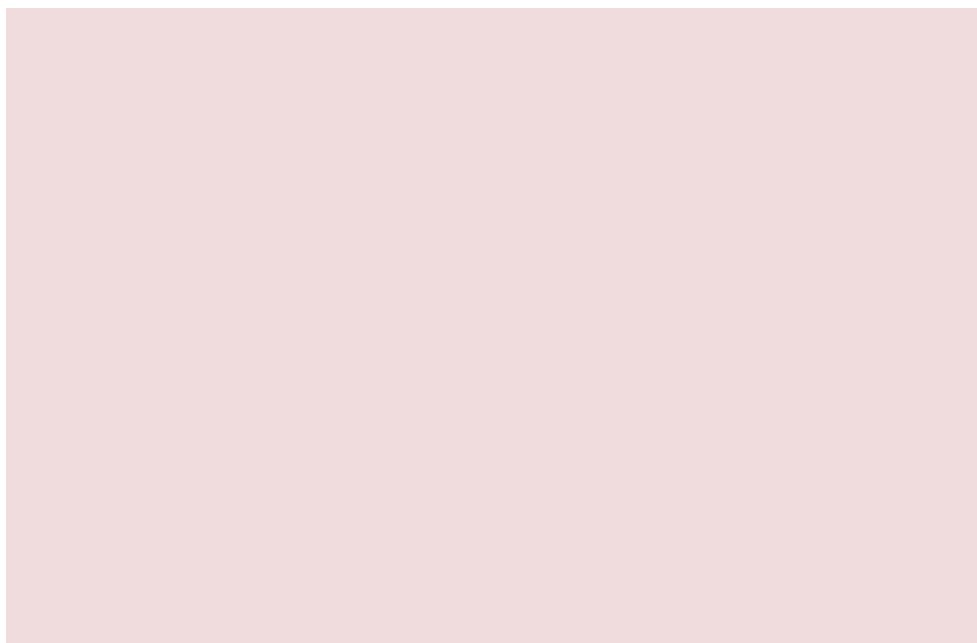

STEP 3

Protect the workspace and bomber with chrome gold decoSpray then let dry.
