How to paint a flowerpot?

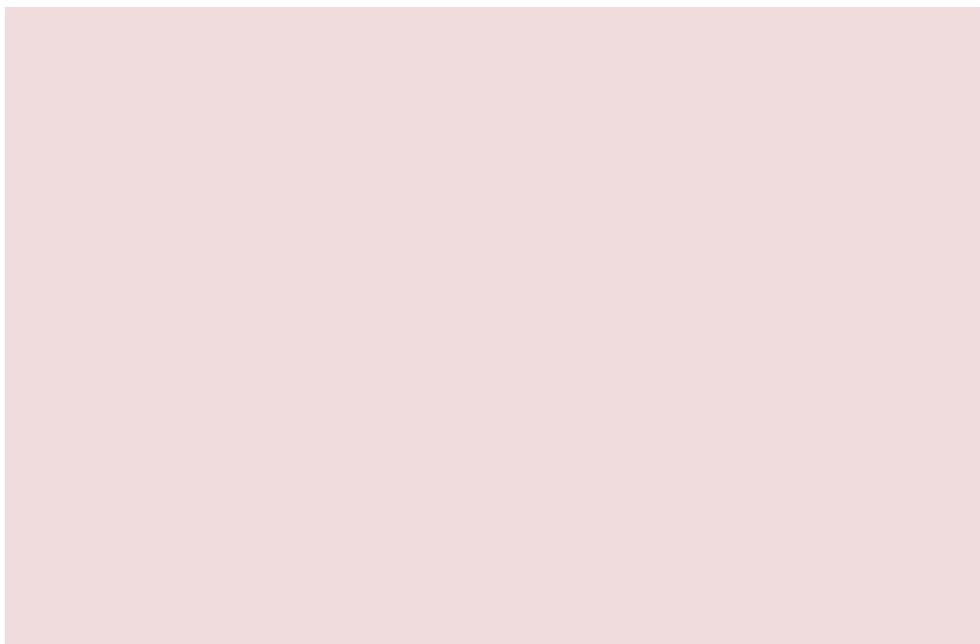

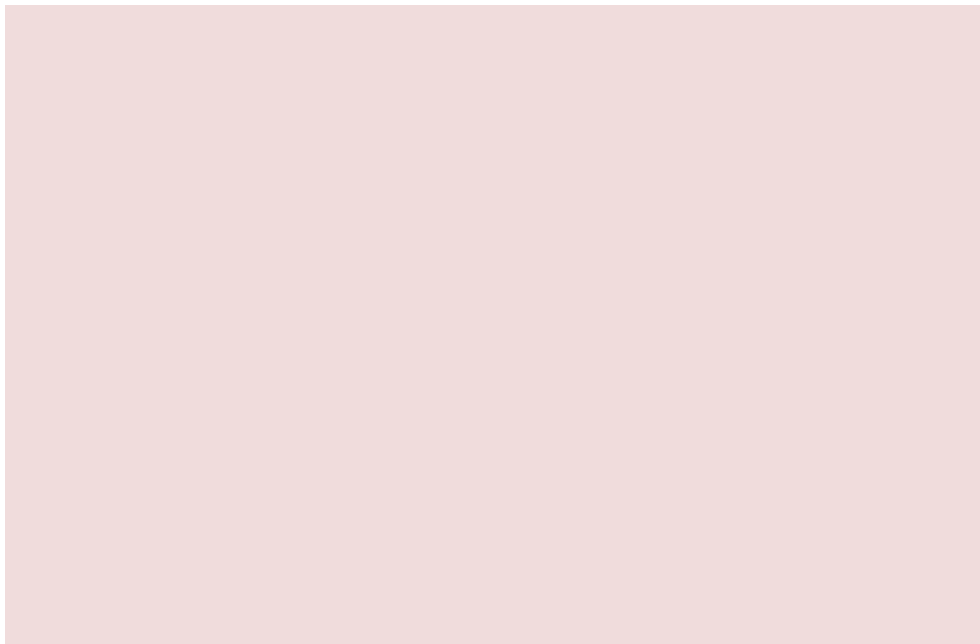

How to customize objects with Pébéo decoCrème paint?

Spring is not far off and today, we unveil an easy DIY idea from Pébéo to recycle and beautify its terracotta flower pots . A few brushstrokes, and voila! The creamy and very covering aspect of Pébéo decoCrème paints allows you to customize many decorative objects at home.

Come on, here we go !

STEP 1

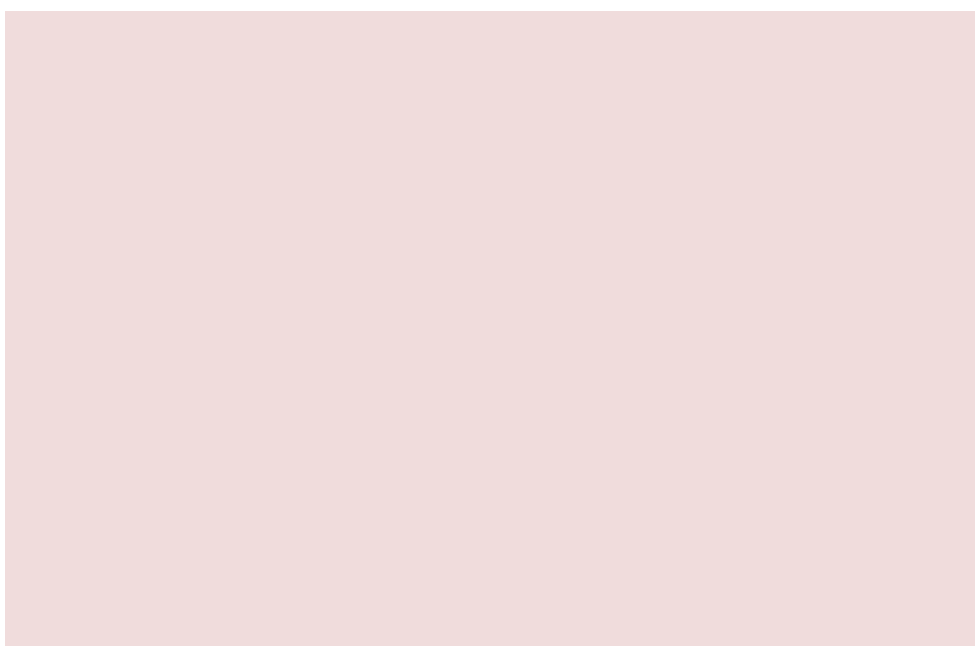

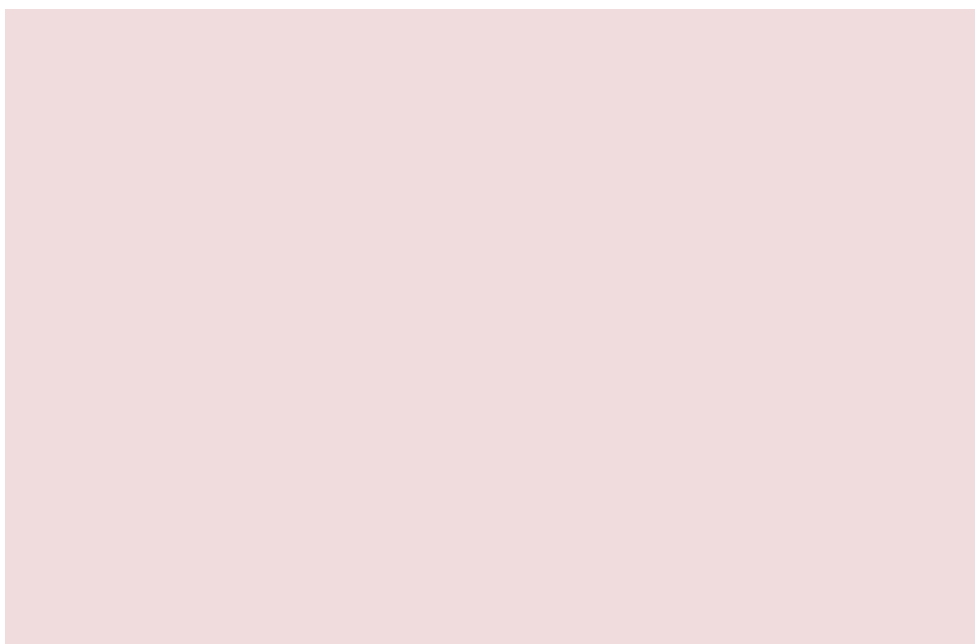

Using masking tape or masking tape, form a curve or triangle on the 3 pots.

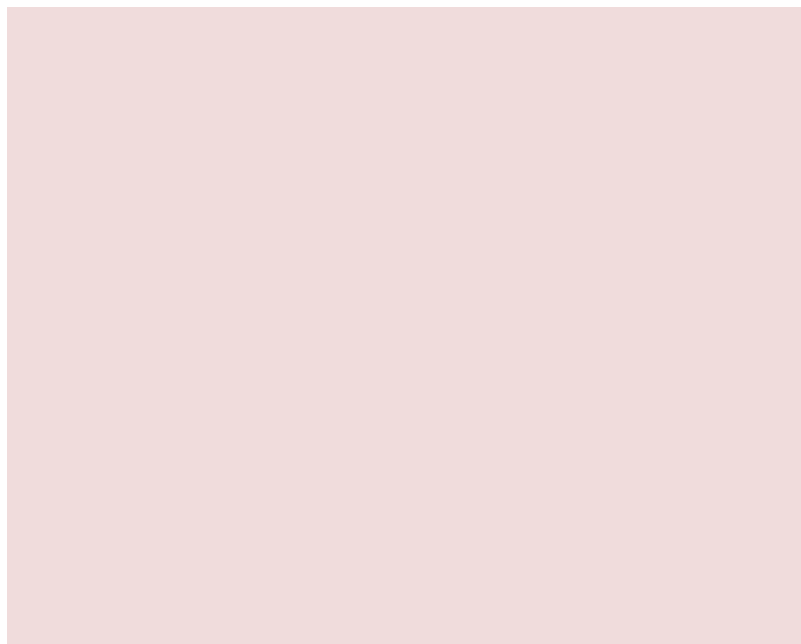

2ND STEP

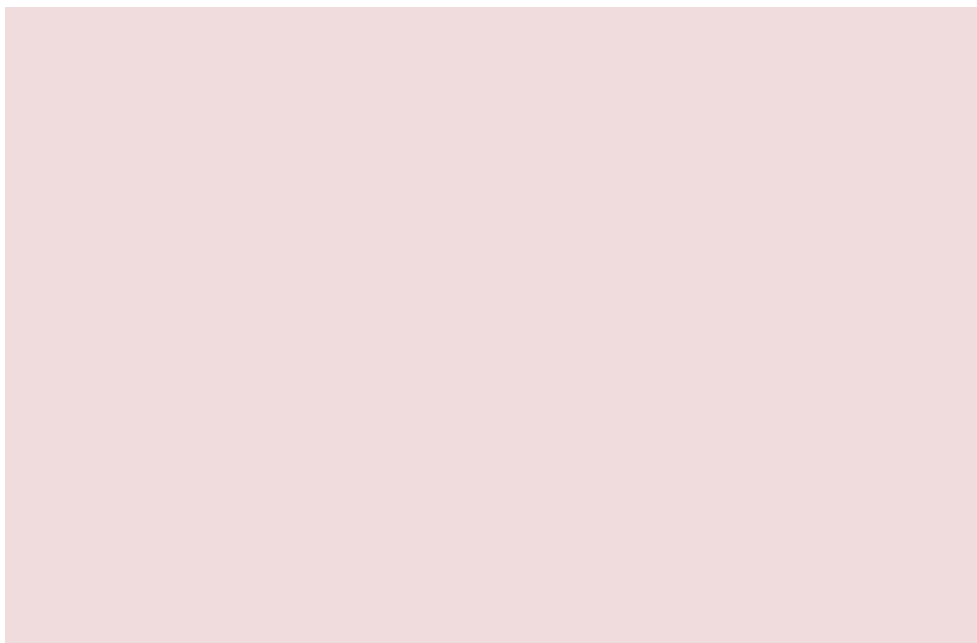

On the first pot, paint the lower part bounded by the masking tape with aqua green decoCreme paint. Also paint the whole of the first saucer.

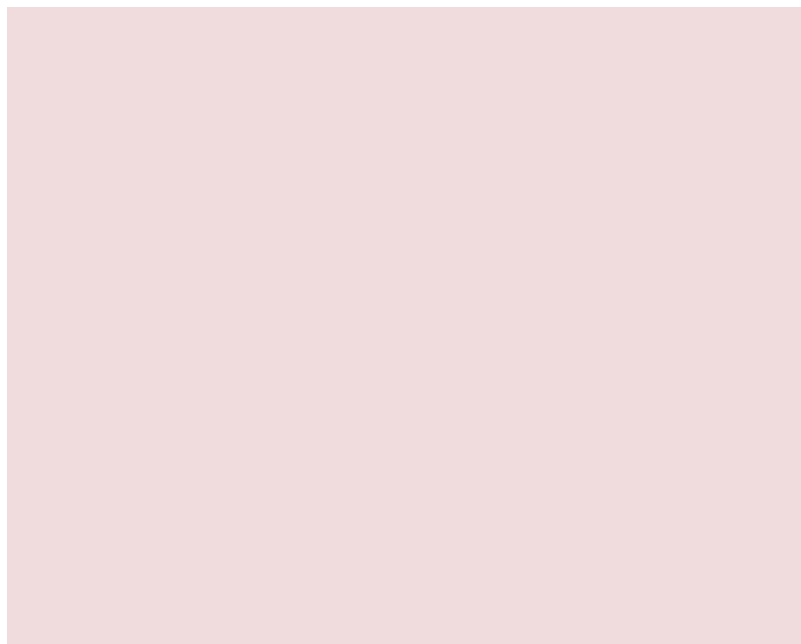

STEP 3

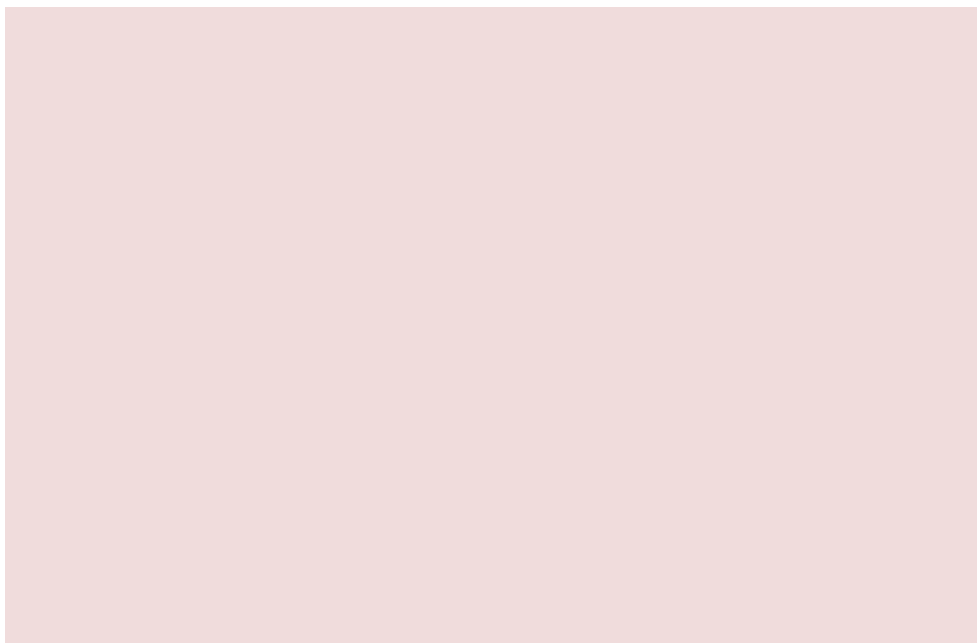

Add white cloud decoCreme paint in the remaining aqua green color. Mix well and apply the same way on the second pot and the second saucer.

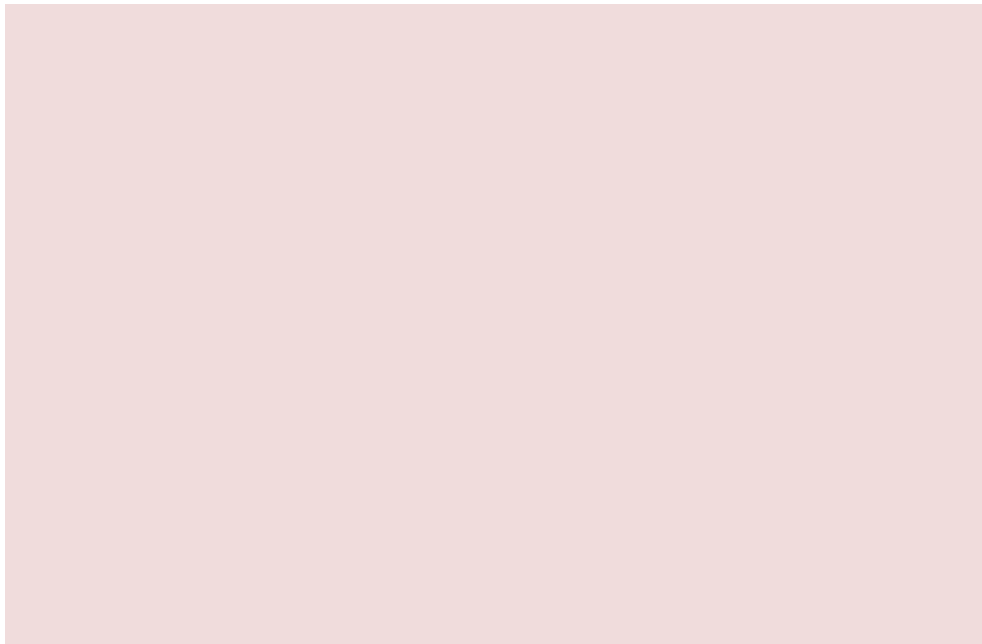

STEP 4

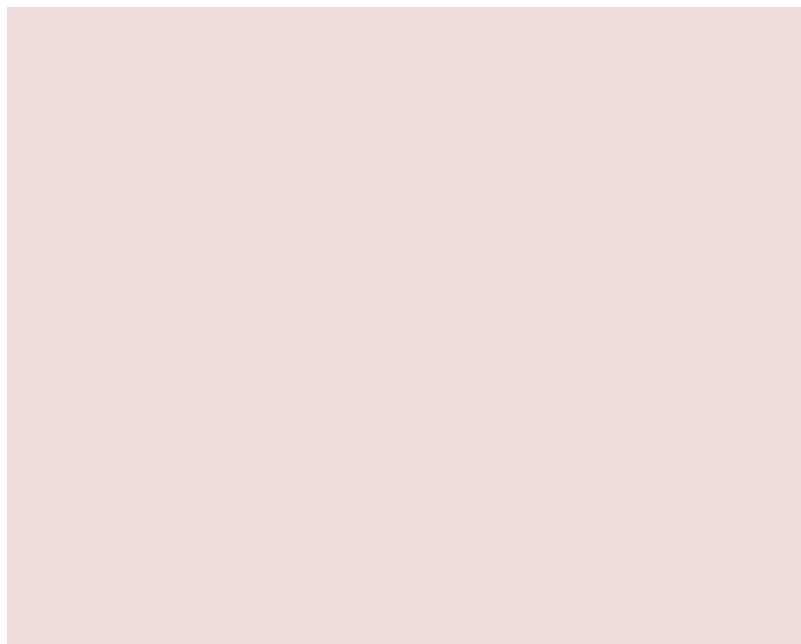

Add one more time and larger quantity of white cloud decoCreme paint into the mix. Mix and paint the last pot and the last saucer. Finally, remove the masking tapes.

That's it, your flowerpots are now ready to use!
