How to crochet a flowerpot?

How to crochet trapilho yarn?

This tutorial is for those who want to learn to crochet jersey trapilho wire and for those who love bunnies! Catherine blog [Caticoud](#) shows us how to make this rabbit pot in [wire trapilho Hooooked Ribbon XL DMC](#) , ideal for decorating your Easter table!

If you're new to crochet , we invite you to watch our video to [learn basic crochet points](#) .

Thank you Catherine for sharing.

STEP 1

Before you begin, take the measurements of the pot that will be in the pot.

2ND STEP

Start at the bottom by performing 6 ms in a magic ring.

R2: Aug each ms = 12 ms

R3: 1 ms, 1 aug = 18 ms

R4: 2 ms, 1 aug ... = 24 ms

R5: 3 ms, 1 aug = 30 ms

Etc. ... depending on the width of the pot

Next R: ONLY ON THE UPPER MESH: ms

Continue in ms until you reach the desired height.

STEP 3

For the ears, mount a chain of 6 ms.

Next R (crochet all around this chain): 2ms, 1 flange, 1 ms 2brides, 1 ms, 1 flange, 2 ms

STEP 4

Tuck the thread and sew the ears on the pot.

STEP 5

Sew the pink pompom on the pot. You can also make your round pompom yourself with the [pompom maker tool](#) .

Your rabbit potty is over!
