

## ASYMMETRICAL EARRINGS WITH FABRIC BUTTERFLY WINGS

By : Karine Barrera

Easy

0 minutes

Make earrings in minutes with fabric butterfly wings. The fabric of these butterfly wings is both strong and thin, allowing light to pass through. This pair of pre-pierced wings can be used as they are by passing a ring through the hole, or you can separate the pair for greater transparency. These wings can also be resinated or stiffened with glues.
