

DIY RABBIT CUP IN MODELING PASTE WITHOUT COOKING WEAPAM

By : Perles & Co

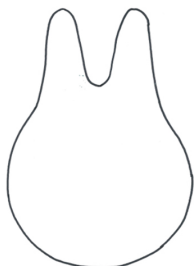

Easy

2h

How to use the modeling paste WePAM without cooking?
Opt for a DIY and custom pocket ! Easy to make, this tutorial is to make with your kids or grandchildren during the holidays!
It's up to you to imagine other reasons if you wish!
With this tutorial you will learn modeling with Cleopatra's brand-free modeling paste **WePAM**. To fill out the vacation schedule, take a look at our activities and [creative hobby tutorials for kids](#).
Thanks to the Cleopatra brand for sharing this tutorial.
This tutorial requires additional material: 1 white sheet, 1 cup, 1 day cream and parchment paper or a set of table.
Step 1 :
Make a template in the shape of a rabbit on a white sheet. About 25-30cm high.

2nd step :
Spread the WePAM on the parchment paper, then place your shape on it and cut the dough around.

Step 3:
Line a cup with day cream and place the rabbit-shaped dough. Let it dry for 5 days, then wipe the tray.

Step 4:
Then draw the face of your rabbit with the markers. You can choose another pattern or other colors according to your desires.

Finished the lying business, your cup, empty-pocket is now over.

We love to see your creations so feel free to send us photos of your creation on our [Facebook](#) page or to tag us on [Instagram](#) with #Perlesandco !
