How to make a bracelet wrap 4 rounds?

How to make a wrap bracelet with Miyuki Rocaille glass beads and macramé knots?

One of the most trendy bracelet this season is the wrap! As well for men as for women make your wrap 4 rounds DIY. Easy to make, discover Aude aka [Butterfly lodge's](#) step-by-step and combine Rocaille Miyuki glass beads, macramé knots and leather cord in a sublime DIY bracelet.

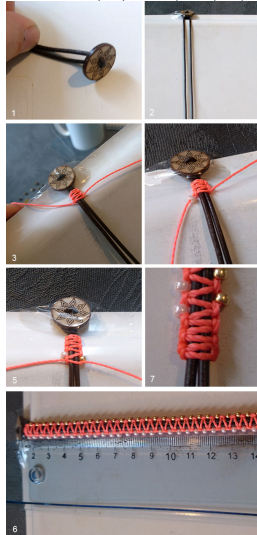

Gift ideas or pleasure to offer do not hesitate to consult in our toolbox [the base of the creation of jewels](#) and our references of [Rocaille Miyuki 8/0](#) to vary the colors for your handmade creations.

Do you start in macramé? Do not panic, watch our video to [learn the basic knots of the macramé](#).

Thank you Aude for sharing his tutorial.

Step 1: Prepare the turn of your # 1 wrap.

1. Thread the leather cord into the button so that there is 1 meter of cord on each side.
2. Tape the button at the top of a tray and the two cords at the bottom of the tray so that you have a fairly rigid work set.
3. Thread the macramé thread under the leather strings, just below the button, so that you have 1 st on both sides and weave 3 [flat knots](#).
4. Add a white bead on the starting side of the next flat knot and tie the knot.
5. Add a golden bead on the starting side of the next knot and tie the knot.
6. Continue on 16 cm.
7. Then weave 3 simple square knots (without pearls) to finish the first round and cut the threads that protrude leaving 5 mm then burn to finish cleanly.

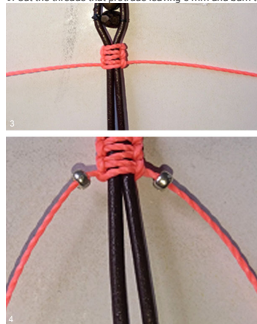

Step 2: Prepare the second round of your wrap bracelet.

1. Turn the tray and tape the bracelet at the beginning and end of the beading area.
2. Using the [wrap method](#), thread the beads one behind the other following the pattern below.
3. Cut the start and end threads after ironing them in a few beads and burn to finish cleanly.

Step 3: Prepare the 3rd round of your wrap bracelet

1. Turn the tray and tape the bracelet at the beginning and end of the beading area.
2. Thread the macramé thread under the leather cord so that it is 1m50 on both sides.
3. Make 3 flat knots.
4. Add a pearl on each side and make the knot.
5. Then make 5 flat knots.
6. Add a pearl on each side and tie the knot and continue on 16 cm.
8. Then weave 3 flat knots to finish the 3rd turn.
9. Cut the threads that protrude leaving 5 mm and burn to finish cleanly.

Step 4: Prepare the 4th round of your wrap bracelet 4 turns.

1. Turn the tray and tape the bracelet at the beginning and end of the beading area.
2. Thread the Rocaille Miyuki method by weaving it randomly into the pearl mixture. No particular scheme, follow his intuition: your bracelet is so unique!

3. Weave on 16 cm and finish the weaving by ironing the remaining thread on both sides in some pearls then cut and burn.

Step 5: Finish your Macrawrap bracelet, 4 rounds.

Tie a knot with the leather cord and a second knot 1 cm further to form a buttonhole.

Your macrawrap bracelet is now finished!

We love to see your creations, so do not hesitate to send us your photos on our [Facebook](#) page or to tag us on [Instagram](#) with #perlesandco !

NB: Attention, the list of products below is not completely in conformity with the picture of presentation. For stock reasons, some products in this tutorial have been replaced by equivalents. The button has been replaced by another product. Feel free to measure your moignet to adjust the amount of pearls needed.
