

WRAP BRACELET IN POLYMER CLAY

By : Karine Barrera

Easy

4h

Use this tutorial to create a pretty bracelet wrap using your own polymer clay beads. Of course, you can use any brand of clay, including Fimo, Cernit, Sculpey Kato and Pardo. Learn how to make a very simple cane with 2 colors that will give a vegetal effect to your creations thanks to its broken lines.

Which material to use for Wrap bracelet in polymer clay?
