How to make a bangle bracelet?

How to make a woven bracelet in circular peyote?

When we love, we do not count ... how about discovering or re-discovering the technique of circular peyote weaving ? Julie aka BijouDeRé offers us a grid to make a sublime DIY bracelet woven with glass beads Miyuki Delicas after the bangle bracelet tutorial Emjy. You begin in weaving, do not panic, learn the basics of weaving pearls in our box tool.

Thanks to Julie for sharing her grid.

You can if you want to stiffen it a little more, pass a coat of varnish on the inner lathe.

We love to see your creations so feel free to send us photos of your DIY bangle bracelet on our Facebook page or to tag us on Instagram with #Perlesandco!
