

## DIY EARRINGS WITH HERRINGBONE CHAIN, OPENWORK PENDANT, FAN-SHAPED SEQUIN AND MIYUKI DURACOAT

By : Perles & Co

Easy

0 minutes

How to make earrings with herringbone chain?

How to make trendy creoles for under 20€?

Today we're offering you a quick and easy, yet creative tutorial for making pretty earrings with several strong pieces. An openwork pendant, some miyuki delicas duracoat 11/0 galvanized gold and the novelty, the addition of pieces of golden-white epoxy chains! If you want to get started creating DIY jewelry, take a look at [our toolbox](#). Feel free to vary the colors with [our full range of Miyuki Delicas 11/0 colors](#), and let your imagination run wild to create jewelry that's just like you!

We love to see your creations inspired by our tutorials, so don't hesitate to share them with us on our social networks with #Perles&Co!

Which material to use for DIY earrings with herringbone chain, openwork pendant, fan-shaped sequin and miyuki duracoat?
