How to carve a skull in rubber?

Here is an easy DIY tutorial to create his own custom rubber stamps. Follow Rose's step-by-step blog [Rose's Diary](#) to learn the technique to carve rubber and create a unique ink pad. You will be able to make your postcards and invitations yourself, especially with a [skull motif like catwoman costume](#) for a Halloween party.

Thank you Rose for sharing this tutorial.

Step 1
Draw the pattern on a tracing paper.

Step 2
Transfer the image upside down on the rubber to be engraved.

Step 3
Cut the pad with the carving knives.

Step 4
Remove the part that is not part of the cutter pad.

Step 5
Stamp with the fluorescent pink ink on a yellow paper folded in the shape of a postcard.
