This guide will show you how to assemble a black half-moon pendant with a touch of bohemian chic, perfect for complementing your romantic and esoteric outfits. Ideal for fashion lovers who want to add a touch of mystery to their look, this tutorial is accessible to all skill levels. Add a personal touch to your jewelry with beads and tassels in other colors to make your style even more captivating.

Whimsy Goth, or Poetic Gothic, is an emerging trend that fuses the dark, mysterious aesthetic of traditional Gothic with a lighter, dreamier touch. This style is inspired by fairy tales, nature and mystical elements, creating a look that is both romantic and mysterious. It has its roots in classic gothic fashion, but is distinguished by its softer, more whimsical approach.

Whimsy Goth is often expressed through flowing garments, occult motifs such as moons and stars, and accessories that evoke magic and the esoteric. This style is a celebration of individuality, blending Victorian, bohemian and esoteric influences to create a unique and personal aesthetic. The black Half Moon Horn necklace you're about to learn how to make is perfectly in tune with these stylistic trends. This accessory embodies the spirit of Whimsy Goth with its mystical yet refined design. The black horn symbolizes the connection with the moon and mystery, key elements in these aesthetics.

One of the particularities of this style lies in the desire to immerse oneself in a magical universe, to slip into the skin of a modern-day witch. This translates into the creation of objects and accessories that carry a personal, esoteric touch. Making this "Horn Half Black Moon" necklace is not just a DIY project, it's a way of making this mystical universe your own. By making this jewel yourself, you add a creative and symbolic dimension to your style, while enriching your wardrobe with a unique piece that reflects the essence of Whimsy Goth.

Whether you're passionate about Goth or simply drawn to this enchanting universe, this tutorial will help you explore and embrace this aesthetic while expressing your creativity.

steps

★ Step 1/6

Randomly insert gold crush pearls into the threads of the black imitation-silk pompom and flatten them with flat-nose pliers.

★ Step 2/6

Cut 1 30 cm piece of black thread and thread 7 11/0 seed beads using a beading needle. Pass twice through the last 6 beads to form a loop and exit through the 7th.

★ Step 3/6

Thread a 4 mm spinning top, a seed bead, pass through the black half-moon horn, again a seed bead, a 4 mm spinning top, a seed bead, a 6 mm spinning top, a seed bead, the PureCrystal pearl, 4 seed beads, pass through the pompom, add 3 seed beads again and exit in the seed bead just before the pearl. e PureCrystal, 4 seed beads, pass through the pompom, add another 3 seed beads and exit into the seed bead just before the pearl.

★ Step 4/6

Work your way up through all the beads, loop back through the seed bead loop, work your way back down through all the beads, then work your way back up. Finally, lower a few beads and tie a knot between 2 beads.

★ Step 5/6

Cut a 10 cm piece of 0.3 mm gold-plated copper wire. Wrap one end around the wire between the horn and the seed bead below. Cross the wire in front of the horn, come down on the other side, then cross over to the other side, wrap around between the horn and the seed bead and wind the wire around each side. Finish by winding the wire several times between the bead and the horn, then cut.

★ Step 6/6

Pass the gold-plated ball chain through the rocaille loop and place the ferrules at each end. Add a ring on both sides and a snap hook. You can also choose to use a ball chain clasp or close the ends with a single ring.
