How to weave a brooch for Christmas

The festive season is the perfect time to get creative! Whether you're giving a handmade gift or treating yourself, DIY projects abound. Emmanuelle aka [MamZelle Lulu](#) has concocted a pretty "Joyeux Noël" brooch in brickstitch weaving with [Miyuki Delicas 11/0 beads](#).

Looking for more weaving ideas? We've got lots of [bead-weaving](#) charts. Are you new to Miyuki Delicas bead weaving? We invite you to take a look at our technical sheets such as [How to start a brick stitch weave](#) or [How to make a brick stitch weave with augmentation and reduction?](#)

Thank you Emmanuelle for sharing these charts.

Weave this pretty Joyeux Noël pattern using the diagram and color palette above and tuck all the threads into the beads to hide them.

To avoid losing any beads, we recommend using a [beading mat](#). Finally, to wear this Joyeux Noël as a long necklace or brooch, you can stiffen it with [Paper Patch glue varnish](#) beforehand.

We love to see your creations, so don't hesitate to send us photos on [our Facebook page](#) or tag us on [Instagram](#) with #Perlesandco!
