How to make simple earrings with Malachite cabochons ?

We offer you here a tutorial gime minute suitable for beginners (e) s. Bring jewelry glue, jewelry clips and go! Green does not suit you? No worries discover our selection of mini gemstone cabochons and our 8 mm Rivoli PureCrystal cabochons . For example for a more classic style, choose onyx cabochons and graphite Rivoli PureCrystal cabochons . Elegance assured! All the primers offered in this DIY tutorial are 925 silver!

Step 1 :

Glue the small Malachite cabochons on the earrings trays and PureCrystal Emerald cabochons in the cabochon door pendants. Wait until the glue is dry before continuing.

2nd step :

Open the ring of the ear studs with two round or thin flat jewelry clips. For this do not separate the two ends of the ring but rotate them as explained in this data sheet: [How to open a ring to make a jewel?](#)
