*How to make a moonstone bracelet?*

How to make a Gold Filled Bangle with a white moonstone?

How to make a DIY Jewel in 14k Gold Filled?

We propose you a tutorial to begin in the creation of jewels. Minimalism to the rendezvous, you can mix and decorate this jewel as you wish!

Indulge yourself by choosing the gemstone color that suits you. You are rather romantic, assimilate an [amethyst](#) in your creation. Otherwise, opt for an [amazonite](#) or a [turquoise](#) for a more spring and colorful look. From dark to colorful, find all our [gemstones 10mm](#) that will fit perfectly to our interlayer.

Trend of [jewel stacking](#), assimilate it with jewels in resin or with simple chains golden and / or colored. The Perles & co team offers several tutorials.

Simplicity and speed: this tutorial requires little tool for its realization, you will find all the necessary at the bottom of the page.

STEPS :

Step 1:

Glue the flat-bottomed moonstone cabochon onto the interlayer (light glue dot).

2nd step :

Meanwhile open a ring using the clip and insert it at the end of the ring ring with the clasp, how to open and close a ring correctly to create a jewel .

Step 3:

Do the same for the other side, inserting on a new ring the leaf charm.

Step 4:

Then connect a new ring.

Step 5:

Take the interlayer with the moonstone cabochon and attach it to the ring and clasp (make sure the moonstone sticks perfectly).

Tadam! A nice bracelet that will dress your wrists in all circumstances.
