How to make an easy necklace?

How to make an easy necklace?

Do you want a small fine necklace of good quality ? Here is the jewel project you need: a fancy necklace in gold plated and low price ! Wear alone or in accumulation with other stacking necklaces.

Yes, the trend is always and again at DIY jewelry buildup, and we love it! We cracked for this mini charm with a synthetic imitation amazonite stone but you can very well choose another color. We have a wide selection of [synthetic stone charms](#) on our website. Gold plated is a very good alternative to gold, the opportunity to indulge in quality jewelry and cheap.

Are you new to jewelry making ? Have a look at our toolbox, you will find plenty of tips and tricks!

Helpful Info: How to clean a gold plated necklace ? The recipes of grandmothers are often the best, here are some of them:

- Water and baking soda

Dissolve the bicarbonate in warm water, soak a cloth, clean, dry.

- Mie of bread

Rub the jewel with bread crumbs.

- Toothpaste

Put some toothpaste on a cloth moistened with water, rub gently, rinse with clear water, wipe with a thin cloth, then polish with a microfiber cloth.

Step 1 :

Add an open ring to the mini charm and hang it with the hammered charm.

2nd step :

Slide the hammered charm on the gold plated chain.

Your necklace is finished, easy right?

Feel free to show your creations on our Facebook page, in the Perles & Co customer's Super Club group or on Instagram @perlesandco.
