How to easily make small creoles with a charm ?

Creoles are timeless jewels, they can be worn alone or in accumulation with other loops. Stacking is a fashion trend effect for the spring and summer of 2019.

This earring could perfectly associate with your gold jewelry.

This jewel is sober, minimalist and elegant! The golden color gives radiance and light to your face.

You can wear modern and chic little creoles with attached hair as loose.

There are all kinds of charms , with different shapes and colors. There is something for everyone, you can really find your happiness!

The charms allow you to customize a jewel as you wish ! You will be able to obtain unique, original creoles and in your image.

You can really create your own style by playing on small details.

This tutorial is ideal to start! These small loops are discreet but can make all the difference! You can also choose silver creoles and a silver sequin.

Moreover, these earrings are simple and quick to make:

Step 1: Open the gilded Creole.

Step 2: Thread the little charm.

Step 3: Close the buckle and fold down the end with a flat nose pliers.

And here it is already finished, class no?

Are you ready to create the bracelet that will match your creoles?

Find the mother of pearl and gold sequin bracelet and also the gold charm bracelet .
