Materials :

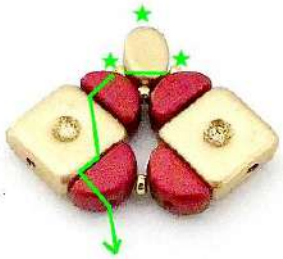

- 11 Damos® par Puca®-Paris
- 22 Arcos® par Puca®-Paris
- 66 Lipsi® par Puca®-Paris and another colour: 66 Lipsi par Puca®-Paris
- 44 Kos® par Puca®-Paris
- 66 Volos® par Puca®-Paris
- 1 PLA ball base 50 mm par Puca®-Paris
- 44 round beads 3 mm (PR3)
- 44 bicones 4 mm (T4)
- 15/0 (R15) and 11/0 (R11) seed beads
- 1 cord of your choice, 11 flat-back rhinestones 3 mm
- 2 bead caps 12 mm
- Paint and glue
- Fireline 0.12

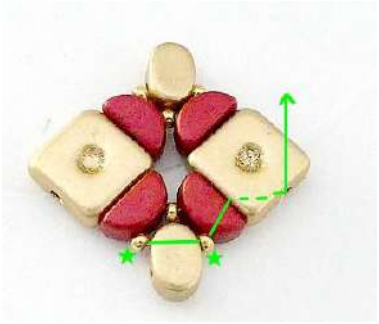

1) Paint your ball.

2) Place 1 Kos, 1 R11, 1 Kos, 1 Damos, 1 Kos, 1 R15, 1 Kos and 1 Damos, then position yourself HERE in the second hole of the Kos. Reinforce!

3) Then place 1 R15, 1 Lipsi and 1 R15 and position yourself HERE.

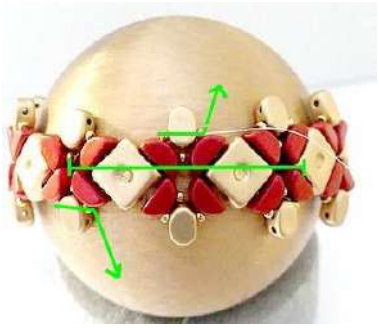

4) Place 1 R15, 1 Lipsi and 1 R15, then position yourself in the second hole of the Damos, passing behind the Damos.

5) Continue your elements. You need 11 Damos.

6) Back of your work: the thread is visible at the back, but will be hidden because it will be glued onto the ball.

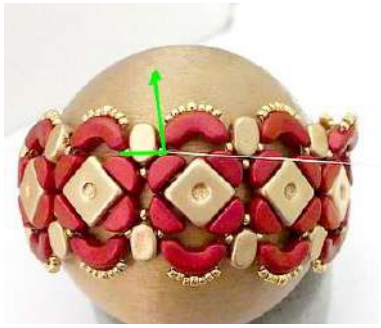

7) Close your work. Position yourself HERE (R15, Lipsi and R15). Note that we are working with a doubled thread, as the beadwork is done on one side and then the other. Then glue your work onto the ball, making sure it is centred.

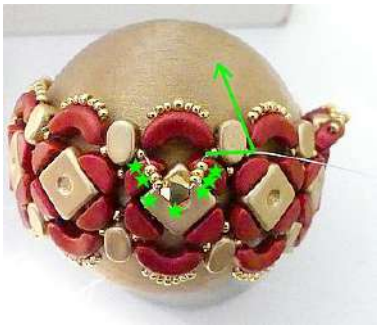

8) Place 1 Arcos, 3 R15, 1 R11 and 3 R15 between each Lipsi and R15.

9) Repeat step 8, turning the ball over.

10) You get this 😊. Position yourself HERE in the (R15, Lipsi and R15).

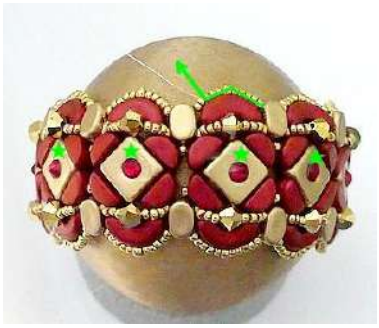

11) Place 3 R15, 1 T4 and 3 R15 in the next three beads, all the way around.

12) Do the same on the other side 😊. Position yourself HERE in the second hole of the Lipsi.

13) Place 2 R15 on each side of the Lipsi. Do both sides 😊.

14) You get this 😊. Position yourself HERE in the ninth seed bead. Glue your rhinestones 😊.

15) Place 2 Volos between the 9 central seed beads.

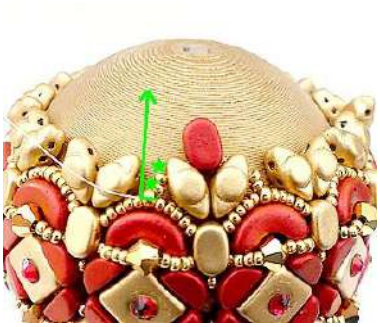

Do both sides. X2

16) You get this 😊. Position yourself in the central R11.

17) Place 2 R15 in the third hole of the Volos, then 1 Lipsi between the two Volos.

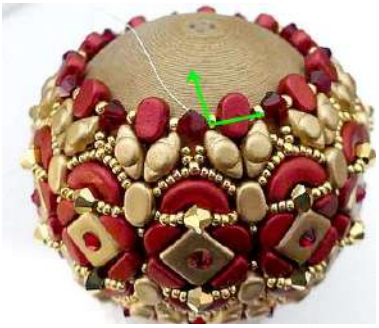

18) Then place 2 R15 in the central R11. Repeat all the way around, and on the other side: X2

19) You get this 😊 . Position yourself HERE in the Lipsi.

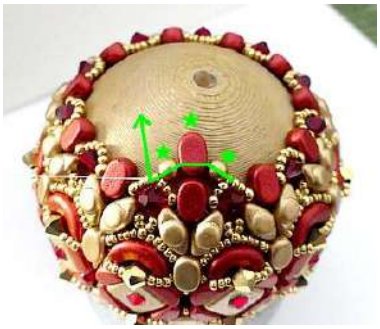

20) Place 1 R11, 1 T4 and 1 R11 between each Lipsi. X2

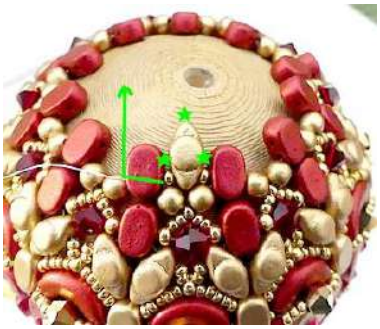

21) You get this 😊 . Position yourself HERE.

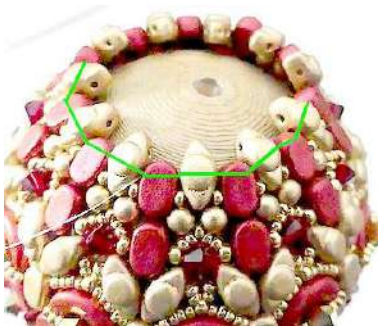

22) Place 5 R15 between each R11. X2

23) Then, between each central R15, place 1 PR3, 1 Lipsi and 1 PR3. X2

24) Then place 1 R15, 1 Volos and 1 R15 between each Lipsi. X2

25) Then pass your thread through the Lipsi (second hole) and through the central hole of the Volos. Repeat all the way around. X2

26) Then, between each Volos (third hole), place 1 Lipsi. X2

27) Then 1 R15 between each Lipsi, second hole. X2

28) Before tightening your work, place your bead cap to hold it in place 😊 . Secure your thread.

29) Place a cord of your choice to hang your ball 😊 .

30) Another colour.

May this star shine in your home during the festive season 😊

I hope you enjoy making this design.
I offer you this pattern. Please do not change its design and use only Les Perles par Puca®-Paris beads.
If you publish or share this pattern, please do not forget to mention that Puca® created it.

THANK YOU 😊
